

WEDDING BROCHURE 2024

Imagine a Scottish wedding venue where the wet weather plan is equally as beautiful as the outdoor option...

At the Secret Herb Garden, you are spoiled for choice. Get married outside surrounded by nature, or inside our Glasshouse nestled amongst the flowers and vines.

After the ceremony, let your guests mingle with drinks and canapes in the Sunken Garden before taking their seats in the Glasshouse for dinner.

Enjoy food and drinks inspired by your surroundings, sourced locally, and prepared with love. Toast the occasion with delicious gin cocktails from the onsite Secret Garden Distillery.

## The Venue

Nestled beautifully in 7 acres of pristine farmland at the foot of the Pentland Hills, The Secret Herb Garden is a truly unique venue for your special day.

The gardens are a green oasis where you can open the door to the magic of plants, whether that's taking a relaxing stroll through the gardens or dining amongst the grapevines in the Glasshouse.

Nature is at the heart of everything we do, from the way we grow, and hand harvest our botanicals to the way our luxury gins are packaged. Our gins are crafted at the foot of the Pentland Hills in Edinburgh and made with 100% natural ingredients.

## Ceremonies

The Secret Herb Garden can host weddings between 1<sup>st</sup> May and 30<sup>th</sup> September and has idyllic outdoor and indoor options available for exclusive hire from 4pm.

On fair weather days we can host ceremonies for up to 80 guests on the hillside, with the stunning backdrop of the Pentland Hills. Guests can stand for an informal affair, or some bench seating can be provided.

The Sunken Garden is a more intimate outdoor spot for a ceremony, with standing or seated options or up to 40 guests.

In wet weather the café in the Glasshouse can be used for a larger indoor ceremony, or our Private Dining area for a smaller indoor setting of up to 24 guests.

## Food

The Glasshouse can comfortably sit up to 80 guests for dinner, with a variety of layouts to suit your style.

Transform the space with your own decorative flourishes or go rustic amongst the natural foliage and twinkling fairy lights.

With the Glasshouse at the heart of the Secret Herb Garden we're spoiled for choice when it comes to choosing from fresh, delicious ingredients for all our menus.

Our team of talented and passionate chefs are never short on inspiration.

Our wedding menus can be tailored to suit your style, and all dietary requirements can be catered for.

## Evening Receptions

Party the night away in the unique atmosphere of the Glasshouse, as day rolls into night, with sparkling festoon lighting, and quirky corners for guests to relax and socialise in.

Evening buffet options can be added on request.

Bar closes at 11.30pm, carriages at 11.45pm

## Music

Please note we are not permitted to allow amplified music, including background music, speakers and microphones on site. This applies indoors and outdoors. All types of acoustic bands and musicians are permitted, including guitarists, strings, acoustic ceilidh bands and pianists.

## Drinks

As a fully licensed venue we can supply all the fizz for drinks receptions and toasting speeches, a range of delicious wines to accompany dinners and a bar for the evening reception — however you want the drinks to flow.

Why not upgrade your reception drinks to our very own Secret Garden Distillery gin cocktails with one of our signature gins — Apothecary Rose, Lemon Verbena, Wild Gin or Elderflower & Jasmine.

If you would rather supply your own drinks then a corkage charge of £10 per adult head is applied which includes chilling, glassware, serving and glass recycling.

## Wedding Cakes

The Secret Garden Bakery can offer a range of bespoke wedding cakes inspired by our very own gardens, from beautiful tiered cakes finished in buttercream or fondant, to delicately adorned naked cakes.

Create a design that suits your style, pick your favourite flavours, florals & botanicals and create something truly unique.
