Hand Painted Cakes

Thursday 18th July 2024

10am – 3pm

£125 per person

For the creative baking enthusiasts out there, here's a chance to learn some cake artistry skills. Whether you are learning from scratch or looking to challenge yourself, we will work with you to teach you the art of elevating a cake to a whole new level with the touch of a brush!

The amazing thing about learning to paint on cakes is that the world really is your oyster with what you go on to create, with personalised patterns and bespoke designs really setting your cake apart from the rest!

Painting is also very therapeutic so this is one of our most enjoyable classes, whilst still learning new techniques that you can use time and again. Once you know all the tricks, hand painting cakes is a very cost effective way to decorate and can be used for the simplest of designs to the most sophisticated of creations.

For this lesson we are inspired by the frequent feathered visitors to our garden and are decorating with a bird theme!

We will provide:

- A freshly made 6 inch double height Victoria sponge to work on
- Gluten free and dairy free sponges available on request
- 5 hours of tuition
- An apron, all the ingredients, utensils and equipment that you will need.
- Coffees and teas on arrival and during the class
- A light lunch of mugs of soup, sandwiches and cake bites
- Presentation box for your finished cake to take home and enjoy, or gift!
